The college complex is spread over an area of nearly 23.6 bighas of land donated by the villagers who were keen on bringing a transformation through education in this remote locality of the state. The college proposes construction of girls' hostel, boys' hostel, auditorium, residential quarters for staff, fencing of campus and extension of play ground with Volleyball and Basketball court facilities in the coming session. CHOICE BASED CREDIT SYSTEM (CBCS)

The CBCS provides an opportunity for the students to choose courses from the prescribed courses comprising core, elective/minor or skill-based courses. The courses can be evaluated following the grading system, which is considered to be better than the conventional marks system. Therefore, it is necessary to introduce uniform grading system in the entire higher education in India. This will benefit the students to move across institutions within India to begin with and across countries. The uniform grading system will also enable potential employers in assessing the performance of the candidates. In order to bring uniformity in evaluation system and computation of the Cumulative Grade Point Average (CGPA) based on student's performance in examinations, the UGC has formulated the guidelines to be followed.

Outline of Choice Based Credit System:

1. Core Course: A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course.

2. Elective Course: Generally, a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.

2.1 Discipline Specific Elective (DSE) Course: Elective courses may be offered by the main discipline/subject of study is referred to as Discipline Specific Elective. The University/Institute may also offer discipline related Elective courses of interdisciplinary nature (to be offered by main discipline/subject of study).

2.2 Generic Elective (GE) Course: An elective course chosen generally from an unrelated discipline/subject, with an intention to seek exposure is called a Generic Elective.

P.S.: A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa and such electives may also be referred to as Generic Elective.

3. Ability Enhancement Courses (AEC)/Skill Development Courses: The Ability Enhancement (AE) Courses may be of two kinds: AE Compulsory Course (AECC) and AE Elective Course (AEEC). "AECC" courses are the courses based upon the content that leads to Knowledge enhancement. They ((i) Environmental Science, (ii) English/MIL Communication) are mandatory for all disciplines. AEEC courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc.

3.1 Ability Enhancement Compulsory Course (AECC): Environmental Science, English Communication/MIL Communication.

3.2 Skill Enhancement Courses (SEC): These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based instruction.

CO-CURRICULAR / EXTENSION ACTIVITIES

The various curricular activities in the class rooms help only in imparting bookish knowledge to the students as per the demands of the examination system, but unless certain other activities are undertaken, a student never acquires other required skills for his all over growth. It is here that the role of co-curricular activities comes in. Such activities along with class room involvement help to integrate the three very vital aspects of an individual (student) viz. the body, mind and soul. With the above objectives in mind, various clubs and societies have been constituted under the guidance of the able teachers. Students are advised to join at least one of the clubs and respective subject societies to become ennobled graduates on completion of their courses in this college. A student with mere bookish knowledge and nothing else is a misfit in today's society and hardly acceptable to any job offering agency.
